**AUDITION SIDE – Sultan, Jasmine, Lamp Vendor, Agrabahns
from Aladdin KIDS**

LAMP VENDOR

Salaam and good evening to you, worthy friend! Welcome to Agrabah, city of mystery –

AGRABAHN 1

Land of Enchantment –

AGRABAHN 2

An oasis of rest and wonder for those in search of something ...

AGRABAHN 1

...magical!

LAMP VENDOR

Yes, my friend, welcome to the Agrabah, land of eternal bliss, magical mysteries, and home of the hottest half-price bargains this side of the River Nile! Take, for example, this dusty old lamp.

AGRABAHN 1

Look beneath the dust, and you will discover that this lamp once changed a young man's life...

AGRABAHN 2

... as well as the life of an ambitious young princess who was being forced to marry against her will.

(JASMINE and SULTAN enter)

JASMINE

But Father, what if I don't want to get married? What if I want to race camels ... or study economics ... or end poverty instead?

SULTAN

Jasmine, the ancient law demands that you marry ^{one} of royal birth by the full moon before your next birthday. Your responsibility is to choose wisely, for your husband shall be the future Sultan!

JASMINE

Why can't I rule Agrabah myself?

SULTAN

Oh, Jasmine ... it's the ancient law...
