ENJOY THE PERKS OF SPONSORSHIP

Your sponsorship is vital in sustaining our mission to provide high-quality, accessible youth theater experiences for both participants and audiences. Producing our Main Stage musicals costs between \$25,000 and \$35,000 each, while our Kids Stage productions require \$12,000 per show. With a reach of over 4,400 patrons last year, your support has a significant impact.

When you give, we ensure you receive recognition and offer unique perks found exclusively within the performing arts community. We are pleased to tailor your sponsorships to align with your philanthropic goals, whether it's supporting our programming, ensuring accessibility through scholarship, or contributing to our operational needs.
